GREENVIEW FARMS

*Auction Sale
of
Scotch Shorthorn Cattle*

A Few of the Sale Heifers—

MY FIRST SALE

I extend a hearty welcome to all breeders of Shorthorns and lovers of fine beef cattle to visit me and to attend my first public sale of registered Shorthorn cattle.

The breeding of Shorthorn cattle has been by far the most profitable farming venture that I have made in my 35 years of farming. Since I am new in the business my offerings will not bring fancy prices. This sale therefore offers an opportunity for beginners to get started at reasonable prices. It also offers an opportunity for established herds to add seed stock that will produce solid, cherry reds that will take their share of prizes in the show ring.

It will be a pleasure for me to show this herd, and also the dams, to visitors on the week beginning March 16th. Call 25 B or 169 W, Mason City; or my herdsman, Guy Short, Greenview, Illinois.

I wish to take this opportunity of thanking Les Mathers and Hal Longley for the aid they have given me in the breeding, feeding and care of this herd. I was both surprised and grateful when, on opening my mail on Tuesday, February 10, I found a letter from Hal Longley who had written the footnotes for the catalog a few days before, giving his appraisal of my cattle. Hal's comment appears on the next page of this catalog.

RALPH M. AINSWORTH

Note: All photographs of the cattle were taken in January of this year.

Hal Longley's Appraisal

It is a pleasure to prepare a foreword for this catalog because of the very secure feeling that any claim I may make about this herd and about this sale offering will be completely vindicated when breeders visit the farm for the first auction sale on Monday, March 30th.

First of all, I want to say that I have never known a herd to progress as rapidly as this one since it was established by Mr. Ainsworth at Greenview Farm four years ago.

It is true that he purchased an entire herd of 42 choice Scotch females in order to get a running start, but the very fact that over 90 head of cows, heifers and calves have been sold out of this rapidly growing herd in the past four years, and the further fact that this outstanding sale offering and a grand collection of brood cows are still on the farm, is indicative of the prolificacy of the herd.

Add to the foregoing statement the fact that not one case of sterility has ever occurred among the cows in the herd and that no claim for adjustment has ever been made on any of the 90 head that have been sold, and you have ample evidence of the good health and dependability of the herd.

And now about the sale offering . . . There isn't a cull, a runt or a poor feeder in the lot. Every one of the 44 animals in the sale was bred and developed on this farm and a more uniform lot have not been exposed for sale in some time.

Remarkably uniform and of especially modern type are the 11 two year old bred heifers, the 12 open heifers and the 9 young bulls, all being stamped with the blockiness, compactness and short legs that should meet the immediate favor of critical buyers. Every animal in the sale is in fine breeding condition and many of the 32 younger animals are not only in perfect flesh condition for the show ring but many of them are the kind of individuals that can win top honors in fast company. Best of all . . . a richer colored group of Shorthorns have not been offered for sale in many years. There isn't a white animal in the offering. Nearly all of them are deep, cherry reds and the balance are rich dark roans.

Mr. Ainsworth has been especially fortunate in his selection of herd bulls. Along with the original herd which was purchased from the estate of John Priddle, came the short legged, dark red Grove Park Royal Hope. Following him came the dark red Leveldale Sentry, bred by Mathers Bros. and easily one of the best sires ever produced in that herd.

At present in service is the great young stock bull Leveldale Aspirant whose calves were the sensation of the last Mathers sale. In this sale, held last November, eight of his calves sold for an average of \$725, this figure being \$180 above the general average of the sale. The four bulls sired by him averaged \$1006, the top of this group selling to Ohio State University at \$2050. The four heifers averaged \$572, the top one selling to E. M. Sims, Elkhart, Ind. at \$1500.

Since November, 1940 Leveldale Aspirant has been used exclusively in the Ainsworth herd. He was purchased not alone because he was an impressive individual but because his sire and dam, Gainford Marshal and Leveldale Rosewood, were both International grand champions. This sale offering will contain eleven beautiful, blocky, short legged, dark colored two year old heifers, most of them by Leveldale Sentry, that are well forward in calf to Leveldale Aspirant and they will certainly appeal to buyers who are seeking material for herd improvement. Six good cows, four of them with calves at foot by Leveldale Aspirant and the other two in calf to his service are also to be sold.

Most of my visits to Mr. Ainsworth's farm have been in company with my good friend Les Mathers who is a neighbor breeder and who takes a justifiable pride in the progress of this herd. Les will agree heartily with me in the statement that this is a sale offering deserving of the attention of every good breeder, no matter where he is located.

HAL LONGLEY OF THE SHORTHORN WORLD

The AINSWORTH Sale

About five years ago Mr. Ainsworth decided he wanted some beef cattle to round out the program on his Greenvew Farm. I suggested a herd of pure bred Shorthorns which I knew were to be sold to settle the estate of John Priddle of Williamsville, Illinois. Within a few hours after being quoted a reasonable price, Mr. Ainsworth had bought the 29 cows in this herd and also the excellent red herd bull bred by J. Brown Hitt of New Berlin, Illinois. These were a nice string of cattle which later proved to be very prolific.

In a few months a new sire was needed and I recommended a young, solid red, stylish, thick, bull. This bull was Leveldale Sentry, untried until used in the Ainsworth herd. He proved to be better than either of us had hoped for, and is the sire of a large part of this excellent offering.

Mr. Ainsworth decided he wanted to improve his cattle still more rapidly and selected Leveldale Aspirant, in our 1940 sale at \$1150, to follow Sentry in service. It has already been proven that he made an excellent choice as Aspirant's get in our last sale averaged over \$800.

I get a great deal of satisfaction in seeing this successful development take place in so short a time and am proud to have had a part in it, both in advisory capacity as well as having furnished the last two sires. I am glad to recommend these cattle to my friends as I feel sure they will prove profitable to their buyers.

Three Outstanding Herd Bulls—

LEVELDALE ASPIRANT 1946676

LEVELDALE ASPIRANT

Roan, calved July 8, 1938.

Sire: Gainford Marshal 1804097—an International Grand Champion.

Dam: Leveldale Rosewood 1772223—an International Grand Champion.

I purchased Leveldale Aspirant at Mathers Brothers' November, 1940 sale and have used him exclusively in my herd since then. He has taken many ribbons, including:

1st premium—Indiana State Fair, 1940.

2nd premium—Illinois State Fair, 1940.

2nd premium—Kentucky State Fair, 1940.

2nd premium—American Royal Livestock Show, 1940.

2nd premium—Ohio State Fair, 1940.

2nd premium—Fort Worth, Texas, 1941.

4th premium—International Livestock Exposition, 1940.

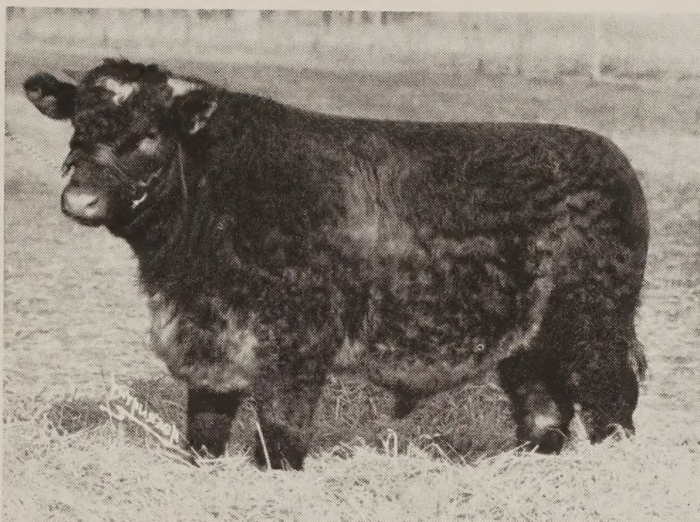

LEVELDALE SENTRY

Now in Texas. I consider him the greatest bull I have ever owned. He has implanted unusual uniformity in his offspring in both type and color.

GROVE PARK ROYAL HOPE

This fine solid, deep cherry red bull got me nearly 100 calves. Many considered him the most beautiful bull I have ever owned. His head and back were perfect. Each of these three bulls succeeded the other in this very uniform type herd. They did not overlap which makes it interesting to observe the type and color of the last three generations.

Menard Sentry 2065235—
 A lot of visitors at the farm have admired this blocky, short legged, good headed bull. He is a perfect dark roan with red legs and his dam, also a dark roan, was a heavy milker. We recommend this calf to any prospective buyer and we hope he will be given the proper opportunity to prove himself. His dam, short legged and blocky was the largest cow in the herd.

—We haven't produced a more promising herd bull than this one. Look at him from the front and you will marvel at the width between his legs and the strength of his head. Look at him from the rear and you will enthuse over his depth of quarters and twist. From the side, he shows great depth of body. Any way you look at him, he is a grand show and herd bull prospect.

Nonpareil Queen 37th 2023391—Should have calf at side by sale day by Leveldale Aspirant. It should be a show calf because she is of show ring type herself. Please Note

ON the day following our sale will occur the Annual Show and Sale of the Illinois Shorthorn Breeders' Association at the State Fair Grounds in Springfield, Illinois. These two events are only 40 miles apart. In view of the fact that over 90 head of choice cattle are to be sold in the two days, many buyers will undoubtedly wish to make purchases in both sales. In such cases, we will be glad to cooperate in the assembling and shipping of cattle bought in the two sales.

PLEASE NOTE:

The War Department has taken over the State Fair Grounds at Springfield. Therefore the Illinois Shorthorn Breeders' Association Sale will be held at the Thorp Metz Farm, Williamsville, Illinois, on March 31st. The Ainsworth Sale will be held on the Ainsworth Farm as scheduled.
